DEDICATION of SAINT JOSEPH PATIO

The Catholic Cemetery Association is pleased to announce the opening of "Saint Joseph Patio" a garden located within Calvary Cemetery.

Saint Joseph Patio will provide a serene and peaceful location for families to spend time and visit their loved ones.

In honor of this event, we invite you to visit us between 1–3pm at Saint Joseph Patio of Calvary Cemetery. We welcome you to walk the path to the Star of the Sea Columbaria, sit on a reflection bench and take in the peaceful setting and pray to those who have returned to their eternal home.

Each visitor will be given a rose to symbolize the beauty of this event.

Please contact us for information on our cemeteries or to receive a no cost Personal Planning Guide.
